LISA EDWARDS

ATTENDANT LEE BENTON

Mount Gilead High School was filled with excitement as the 1986 Homecoming activities got underway. To start Spirit Week the cheerleaders selected the theme "Highway to the Danger Zone" and planned daily activities. Students wore war paint, hats, camouflage, and purple and white on various days as classes competed for the highest percentage of participants. The annual Homecoming parade and bonfire were held on Thursday evening. In the float contest the Senior float was judged "Best All-Around," the cheerleader float was "Most Spirited," and the AIASA float was "Most Creative." After the parade Coach King fired up the crowd with his prediction for Friday night's game against Marion Catholic. On Friday in pre-game activities, Lisa Edwards was crowned 1986 Homecoming Queen. The game, unfortunately for the Indians, ended with a 35-7 loss. Student spirits were lifted once again at the DECA sponsored Homecoming Dance on Saturday evening.

Audiences Enjoy "Arsenic And Old Lace"

For its fall theatrical production, the Mount Gilead High School drama department presented the mystery-comedy "Arsenic and Old Lace". Audiences were captivated as the lecture room was transformed into the late Victorian living room of the eccentric Brewster family in Brooklyn, New York. The play centers around the activities of two nice old ladies named Abby and Martha who kill old lonely men so they won't be lonely anymore. Their nephew Mortimer, who gradually discovers his aunts' secret activities, is confronted by his sinister brother Jonathan and his pal Dr. Einstein who would like to use the mansion as a hide-out. Hilarious action takes place as Aunt Abby and Aunt Martha's brother Teddy, who thinks he is Teddy Roosevelt, plans trips to the cellar to dig the Panama Canal. For two performances the cafeteria became a Victorian restaurant for a pre-show dinner prepared and served by the Athletic Boosters. A delicious dinner and a realistic set "set the mood" for the mystery-comedy which unfolded on stage.

As Mortimer looks in the window box, he accuses Aunt Abby of killing another lonely old man.

Above: From the balcony Teddy "calls out the troops" with a blast from his bugle.

Right: Teddy just informs Dr. Einstein that he will be a member of the expedition going to the cellar to dig the Panama Canal.

Aunt Abby and Aunt Martha question Mortimer's fiancee, Elaine Harper, about her relationship with their nephew.

To the delight of Mr. Witherspoon, Dr. Einstein signs the papers committing Aunt Martha and Aunt Abby to Happy Dale Sanitarium.

After tying and gagging his brother Mortimer, Jonathan threatens to kill him with an ice pick.

The guys and gals of the Mount Gilead Drama and Music Departments got out their western garb and presented the musical "Oklahoma" on April 3rd, 4th, and 5th. Mansfield OSU Welcomes Mt. Gilead Prom

Junior Class President Candee Harden welcomes everyone to the 1987 Junior-Senior Prom.

It proved to be an "Enchanted Night" for all those who attended the 1987 Junior-Senior Prom at the Mansfield OSU Campus. Prom-goers gathered in the cafeteria which was decorated with a combination of pink, gray, and black. Dance music was provided by the "Sound-Sations" of Columbus. Two sheet cakes, punch, and mints were served as refreshments and prom-photos were taken by Photorama. The movie "California Suite" was shown. The after-prom theme "Almost Paradise" caught everyones attention. Music was provided and a snack bar was set up as prom-goers played volleyball, danced, and relaxed in a Hawaiian atmosphere. At 4:00 AM all the excitement came to an end, but those who attended will still have their prom keepsakes to remind them of that "Enchanted Night".

SADD's Message Is "Don't Drink And Drive"

On Thursday, October 2, at 9:30 a.m. five SADD members staged a mock accident in front of the high school. Students were not aware that this was a simulation and observed the focu-drama as the Mount Gilead Emergency Squad prepared to transport the "dead" and "injured" students to the Morrow County Hospital. Emergency squad and hospital personnel used the simulation as a drill to practice procedures to be used in a real accident situation. Students involved in the "accident" were Lee Benton, Lisa Edwards, Jeff Harbaugh, Kelly Plogher, and Stacy Drake.

Members of SADD get across the message of drinking and driving.

After giving first aid to Jeff Harbaugh, the injured driver, squad members work on the other crash victims.

Members of the Mount Gilead Emergency Squad prepare to remove the seriously injured Kelly Plogher from the wreckage.

Students watch as squad members lift Stacy Drake into the ambulance.

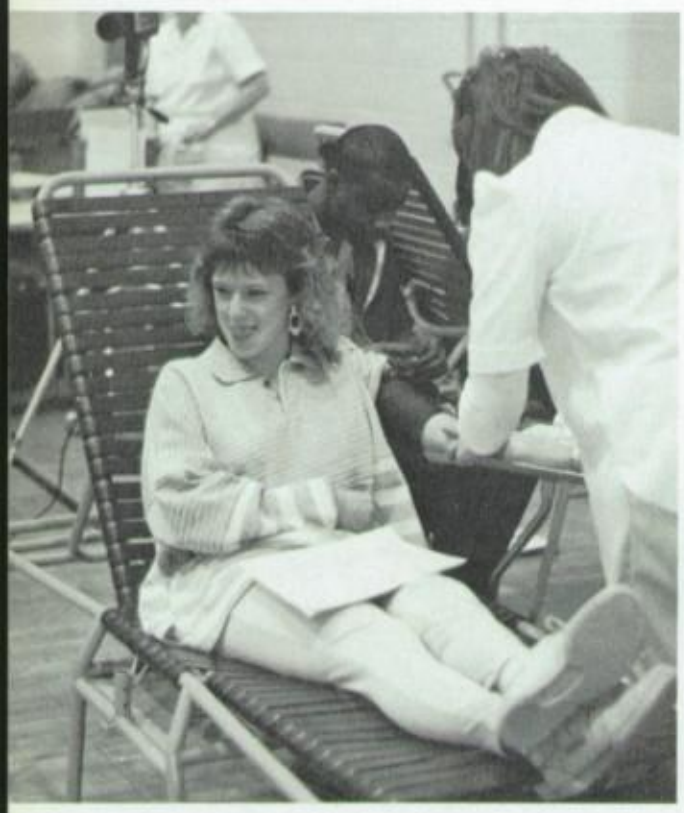
Bloodmobile Visit At MGHS A Big Success

Again this year Mount Gilead High School competed in the contest with other county schools to donate blood for the Red Cross. The high school sponsored a Bloodmobile visit on March 18th. High school teachers, Roger Beck and James Miller, challenged the student body to donate more units of blood than they have given which was a total of 111 units. 120 donors presented themselves to donate and 112 units were actually donated. Each of the students donating received a candy bar from Mr. Beck and Mr. Miller for their effort. Mount Gilead placed second in Cardington in the county contest.

Students receive instructions on how to fillout registration forms.



Julie Elliott intentionally ignores the nurse as she inserts the needle.

Bonnie Van Sickle and Craig Matney crimp bags of donated blood for shipment.

Candee Harden, Melissa Hines, and Jeanie Jason give Chuck Hashman moral support. Chuck's motto seems to be "If at first you don't succeed, try the other arm."

Festival Of The Arts Was On May 2nd

Merrily Jackson presents the AIASA creed as a part of the program.

The 20th annual Festival of the Arts was held on Sunday afternoon, May 2nd. Members of Art Club and IAC, who sponsored the Festival, displayed their projects and presented demonstrations of various skills they had learned. IAC's Parliamentary Procedure team put on a demonstration of the correct way to conduct a business meeting. Again this year the Festival provided an enlightening educational experience for parents and guests of what takes place in art and shop classes.

MGHS Students Dress Up For Halloween

Trying a different approach to Halloween this year proved to be one of the best school days ever. MGHS Student Council held a dress up day for Halloween on Friday October 30th. Costumes were judged and awards were given for the best costumes at the end of the day at the pep rally. Teachers as well as students participated in the event to help stir up some Halloween spirit.

Purple Pride Performs In Area Parades

Members of the Purple Pride wait for their turn to perform for the crowd.

Mount Gilead's marching band, "The Purple Pride," had a year of hard work and fun. Band members traveled to and performed in several area parades: Edison Zucchini Festival, Morrow County Fair, Marion Popcorn Festival, Homecoming Parade, and the Memorial Day Parade. The Pride also performed at two marching band competitions - the MOC Band Competition and the Lexington Festival of Champions. The band provided entertaining half-time shows for all of the Indians' football games. During the annual Marching Band Concert, which is the culmination of the season, Damon Osborne was named Most Outstanding Marching Band Member. The Purple Pride ended the 1987 school year with its yearly trek to Cedar Point to enjoy a day of fun in the sun.

Receiving silver ratings were Pat Kline in the creed contest, Stacy Beck in the Beginning Prepared Speaking Contest, and April Anthony in the Job Interview Contest. Anthony Bush received a bronze rating in the Extemporaneous Speaking Contest. Chapter activities during National FFA Week included a presentation of the FFA's goals to a meeting of the Mount Gilead PTO, preparing breakfast for the high school staff, and holding the annual Pancake and Sausage Day. Again this year, the FFA sponsored Ag. Day for the elementary grades. In March the chapter held its annual banquet. The featured speaker was Ed Johnson of the Agricultural Broadcasting Network and a former FFA member. After the banquet openhouse was held in the recently completed Ag. building.

SADD Combats Drinking And Driving

The Mount Gilead High School chapter of SADD had a very busy and successful year. In September members of SADD staged a mock accident on Park Avenue in front of the school. On Thursday, April 23rd, five Mount Gilead students attended the Mid Ohio Drinking and Driving Workshop which was sponsored by the Mid Ohio Sport Car Course at Lexington and the North Central Ohio Regional Council on Alcoholism. Attending the workshop were Steve Smith, Mark Crawford, Louise Huddleston, Chris Street, Becky Evans, and Counselor Virginia Meyer.

Featured speakers were Judge O'Farrell who is known for his consistent and tough treatment of DWI offenders and Indy 500 winner Bobby Rahal. The purpose of the workshop was to encourage high school students to promote programs in their schools to combat drunk driving. Before the Prom SADD sponsored a program calling attention to the problem of drinking and driving. SADD ended its year's activities with several members attending the Ohio Highway Department's Safety Convention in Columbus.

"Make It To Your Future - Don't Drink & Drive" was the message SADD gave at Prom time. At the Prom SADD presented each person with a bottle of Pepsi and a pair of sunglasses to reinforce the message. Students working on the project are (Front Row) Kelly Plogher, Lorie Mynhier, Jenni Tschudi, (Row 2) Cathy Burns, Lee Benton, Lisa Edwards, Michelle Plogher, (Back Row) Tammy Hicks, and Randi McQuistion.

Contestants were judged on their skills and knowledge dealing with all phases of marketing including advertising, job interviewing skills, finance and credit, public speaking, and marketing mathematics. Of the 39 Mount Gilead DECA students, who participated in 10 contest areas, 32 won trophies. The latest win for Mount Gilead DECA continues a long series of victories that began in 1977. Since then Mount Gilead DECA has won the district trophy every year with the exception of 1982 when the district trophy went to Ontario DECA. The trophy returned to Mount Gilead in 1983 and has remained here. At the 1985 District 4 DECA Meeting the trophy was permanently awarded to Forrest Byron, Mount Gilead's DECA coordinator, with the inscription "In recognition of Forrest Byron and the Mount Gilead DECA's success year after year, this trophy is permanently retired to same."
